INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Notice of Defective Pre-Appeal Review Request, wherein it was asserted that the Pre-Appeal Review Request was defective for the reason that an Appeal Brief was filed, the Applicant contacted Examiner Kelley and informed Examiner Kelley that the Appellant did not file an Appeal Brief. Rather, the Appellant called the attention of Examiner Kelley to the fact that the Appeal Brief found in the Appellant's file wrapper was a misfiled Appeal Brief for U.S. Application No. 10/908,322. Owing to this fact, Examiner Kelley informed the Appellant that the Notice of Defective Pre-Appeal Review Request would be withdrawn and that the filed Pre-Appeal Review Request would be considered. As such, Examiner Kelley informed the Appellant that no further action would be required by the Appellant until such time as a panel decision is provided.

Respectfully Submitted,
